Thank you
for helping to make
Fairtrade Fortnight 2018
a great success.

With support from community groups, local traders and many families and individuals, the 2018 Fairtrade Fortnight can be judged a considerable success. Activities included a lecture, coffee morning, the ever-popular quiz and several Fairtrade meals... including a breakfast. Media coverage has been particularly favourable this year, boosted by our ability to host two very media-friendly guests from Indonesia. A huge thank you and well done to you all! Best wishes, Sean McManus, Chairman, Fairtrade Guernsey Steering Group.

The Fairtrade Guernsey Steering Group is a small, hardworking, friendly team who meet 4/6 times a year to plan events to further raise the profile and support of Fairtrade in the Bailiwick.....and we're always looking for keen people to join us.
